SUNDAY OF DIVINE MERCY |  
SECOND SUNDAY OF EASTER  
YEAR A | APRIL 16, 2023

**“IT IS A MEANS TO AN END, NOT AN END IN ITSELF”**

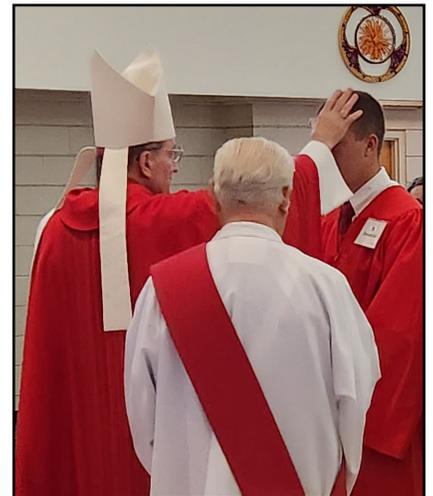

Have you ever really contemplated what this phrase implies? Many times, we hear a “cliché” and just take it for granted. I thought of this expression this week as we welcomed approximately 80 individuals (young and old) to come into full communion with the Church here at the Newman Center. It is such a blessing to witness the excitement and joy experienced during this significant event in their lives. Baptism, Confirmation, and Eucharist complete the Sacraments of Initiation which bring us into the fullness of the Church. But “when Confirmation is celebrated separately from Baptism, its connection [is expressly stated] by the renewal of baptismal promises.” (CCC 1321) Many people have a misleading notion that Confirmation is the completion or conclusion of a process, but it is far from that. It is a moment leading us into transition, change, and growth as we become “more perfectly bound to the Church” [and is] ...necessary for the completion of baptismal grace.” [Confirmation enriches us] with a special strength of the Holy Spirit.” (CCC 1285) We become full members of the Mystical Body of Christ and are called to be missionary witnesses of Christ. This is just the beginning for many of us.

Signs, symbols, ritual actions, and words all signify and suggest the graces that flow from each particular sacrament. Although each Sacrament is distinctive and unique, they are all interdependent upon each other. One of the most common rituals used during a Sacrament is anointing. Holy Oil is used to anoint us and during Confirmation, the Chrism oil is applied to seal us with the Holy Spirit. Anointing with oil has many implications for its effects, but the one impression that has always remained with me is how oil can leave a permanent spot, a mark that is distinguishable, durable, and cannot be removed. It is said that Confirmation (like Baptism) imprints our soul with an “*indelible spiritual mark*”, a characteristic or attribute that Jesus has marked us with the seal of His Spirit. All of this strengthens us and points us toward a deeper union with Christ and fortifies our bond with the Church as we become members of the Mystical Body of Christ.

That is why this phrase “It is a means to an end, and not an end in itself,” struck me as a fitting expression for understanding this “sacramental” moment as we come into the fullness of the Church. We cannot define this one event as the culmination of a process or the summit of a journey, but as an approach, a method, or a means in order to achieve a much greater and more significant goal... to become members of Christ, so that with Him, we form one Mystical Body.

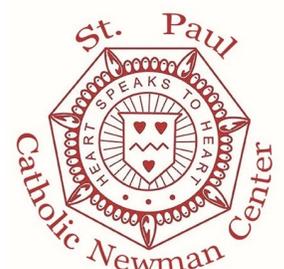

Welcome to all of our newest members!

Many blessings,  
Linda Ram

# THANK YOU!

Thanks to Eagle Scout Troop 35 we have a beautiful addition to our property. Last year a young man named Joshua Fagen submitted an Eagle Scout Service Proposal to the Newman Center to create a seating area around our existing firepit. With patience and determination, Joshua was able to bring this project to fruition. He presented the proposal plan for approval to the Newman Center and the Diocese. His presentation was complete with detailed sketches, plans, estimated materials, and logistics for all phases. The project was welcomed with blessings from the family who dedicated the firepit, Joshua then raised the necessary funds and set a date for construction. The project was completed on April 1, 2023. Again, thank you Joshua Fagen and Troop 35.!
