THE MOST HOLY TRINITY YEAR A | JUNE 4, 2023

What was I thinking when I said, “I can write the front page for Trinity Sunday!”

I was always taught that the reality of the Trinity was a Mystery and as such incomprehensible so just believe it and move on. Yet if we look at the history of the Church, saints, sinners’ theologians and the faithful have tried to explain the Trinity –Three in One is our God, Father, Son and Holy Spirit, Community.

Two years ago, my Religious Community offered an online Symposium on the Trinity titled: *Trinity Love Gives Everything. God is Love Giving Everything: Holy Mystery emptying Godself into creation through the Word made flesh, through the gentle and tender power of the Holy Spirit. It is this Love Giving Everything, this Verb in which all beings participate, move, and have their being not limited by any object, but soaring everywhere that is the ground of the church’s mission, its commitment to inculturation and interculturality, and its commitment in mission to justice and peace.*

I began to think that Jesus choosing disciples to help him with his work was no caprice; it was not something that he simply decided to do just because he wanted to. Jesus, as God, *could not have done it by himself, because God can never do anything by Godself. This is the point of the Trinity. God never acts alone; in fact to be God is to never be alone. And so, in calling disciples, Jesus reveals the true nature of God as a communion of persons, a communion-in-mission. The Holy Mystery that is God empties Godself by uttering the Word, the breathing forth and the breathing back in of which is the Holy Spirit. God is never alone. God is Love Giving Everything.*

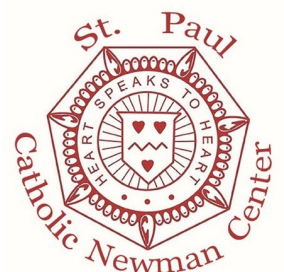

And because God is never alone God never acts alone. It is God’s nature to be a partner. When God creates, what is created becomes a partner; invited to freely participate in God’s continuously creating work. As Elizabeth Johnson writes, it is if at the Big Bang the Spirit gave the natural world a push saying, “Go have an adventure, and see what you can become.”

Today as the Newman Community on Trinity Sunday we are called to realize that the “mystery” is an experience of living within the Triune God. Let us look around at our partners and celebrate the work of God in the world we find ourselves living in. Live the Mystery of God, minute by minute, day by day, now and into eternity.

FRESNO

MESSAGE FROM BISHOP JOSEPH BRENNAN

Brothers and Sisters,

This is a simple announcement from me to notify all of you that Linda Ram will no longer be serving as the Parish Life Coordinator here at the St. Paul Catholic Newman Center. This became effective as of May 30, 2023.

Hopefully, the absence of a Parish Life Coordinator here will be a temporary situation. In the meantime, I will serve as the Administrator Pro Tem of the Center and assure you that all services and ministries will continue and flourish as they always have.

Do join with me in wishing Linda the best in all future endeavors and keep me in your good prayer as well.

In Christ,

Bishop Joseph Brennan

MISSIONARY APPEAL AT ALL MASSES

JUNE 3 - 4 WEEKEND

ASSUMPTIONISTS

This weekend we will host Missionaries of the Augustinians of the Assumption (Assumptionists). We hope to listen and learn from them in the important work that God is doing throughout the world. Here is some information they shared with us to help us get to know them ahead of their visit:

From the very beginning, the Assumptionists have been engaged in a wide variety of apostolic works. All that advances the coming of the Reign of God has always been deemed worthy of our apostolic energy.

It's a preference for poor, in response to the Gospel and to the Church calling us today to be on their side. For us too it's a consequence of our own vow to live as poor men. Some will dedicate themselves full-time to this work: with marginalized people of every kind, in hospitals and in prisons, "worker priests" or volunteers in different organizations ... But all of us try to live in union with the poor, because "the poor will always be with us", because the poor are too often neglected even within the Church. This is a bias that the Assumption encourages.

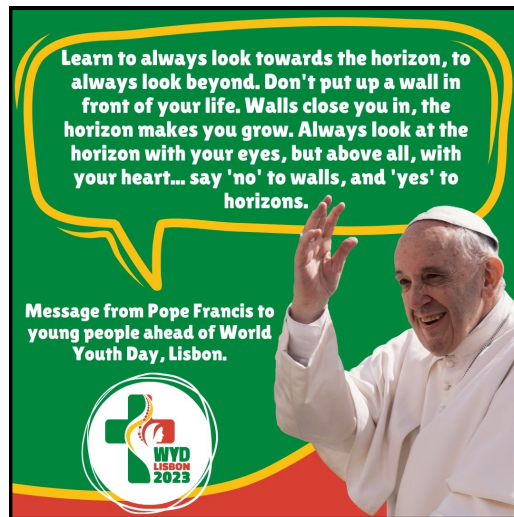

Our Province of North America and the Philippines is specifically responsible for the missions in East Africa (Kenya and Tanzania), Mexico and the Philippines.

We provide personnel and financial assistance that is indispensable in order to maintain our charitable works (schools and nurseries) and formation programs for both laity and clergy in these countries.

Many of our apostolates in these countries specifically work to better the living conditions of the impoverished brothers and sisters we live with and minister to. In the Philippines, we sponsor education and aid programs for underprivileged villages both in the Manilla area and in other mission centers. Our newly founded parish in Orizaba, Veracruz Mexico ministers to an underserved indigenous community.
