CENTRAL VALLEY IAF NATIONAL TRAINING

Are you feeling concerned, overwhelmed, frustrated, and maybe even powerless to make a difference on issues impacting you and your Central Valley community? You're not alone.

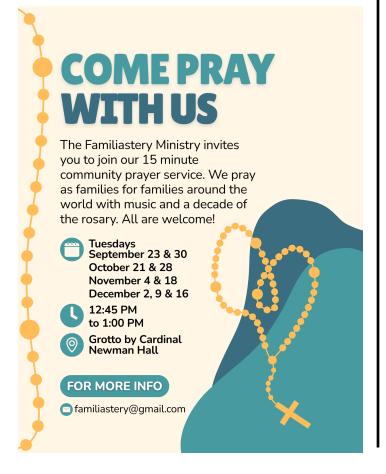

But what if you could transform your outlook for democracy in just one weekend? On October 10-11, we're hosting an Institutional Organizing Training where you will:

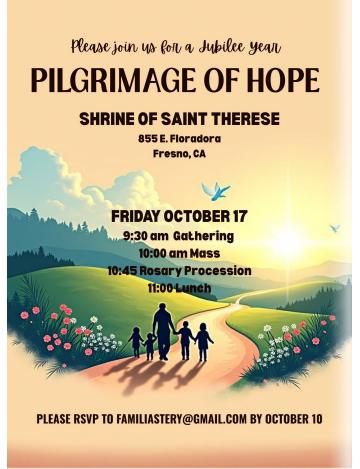

- Discover lessons from U.S. history that offer timeless guidance for this moment
- Discern the nature of power—and the actual sources of today's pressures
- Learn to maximize your institution's potential through strategic, analytical, and practical tools
- Build relationships and solidarity with other residents and institutions who care as much as you do
- Launch a clear, shared, actionable plan toward a constituent-led power base

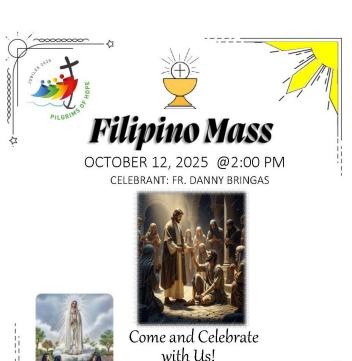

If you're serious about protecting democracy, investing in people-power, and helping your institution emerge stronger from the immense pressures of today, this training is for you. Contact Dan Nickerson at danandada1982@yahoo.com for more information!
