MINISTRY HIGHLIGHTS

STUDENT PANTRY

Campus Ministry would like to recognize Espie Garza for all she has done for our student community. We are happy to see her move on in her professional career but we will miss her leadership within our community. Over the last 2 years, Espie has helped create a welcoming space for students to begin their relationship with the Newman Center. She has also improved how campus ministry runs at the administration level. Her contributions will continue to be active long after she moves on. Thank You Espie!!

“My favorite memory during my time in Campus Ministry is attending Wednesday night dinners and eating a fresh meal and spending time with all the friends I've made. My favorite activity is Jeopardy nights.”

DID YOU KNOW?

Pope Leo XIV and his predecessors since Pope St. John Paul II have advocated for the abolishment of the death penalty, echoing the Catechism of the Catholic Church, which calls it “**inadmissible** because it is an attack on the inviolability

and dignity of the person”. Pope Leo recently praised Illinois on its 15th anniversary of abolishing the death penalty, telling attendees at a celebration, via video:

“The Catholic Church has consistently taught that each human life, from the moment of conception until natural death, is sacred and deserves to be protected. Indeed, the right to life is the very **foundation** of every other human right. For this reason, only when a society safeguards the **sanctity of human life** will it flourish and prosper. ...

In this regard, we affirm that the dignity of the person is **not lost** even after very serious crimes are committed. Furthermore, effective systems of detention can be and have been developed that **protect citizens** while at the same time do not completely deprive those who are guilty of the possibility of **redemption**. ...

I therefore join you in celebrating the decision made by the Governor of Illinois in 2011, and I likewise **offer my support** to those who advocate for the abolition of the death penalty in the United States of America and around the world. I pray that your efforts will lead to a greater acknowledgement of the dignity of every person, and will **inspire others** to work for the same just cause.

With these sentiments, I cordially invoke upon all of you the **divine blessings** of wisdom, joy and peace.” —Pope Leo XIV, 24 April 2026 video message transcript (emphasis added)

Women's Guild

ST. PAUL CATHOLIC NEWMAN CENTER

NEXT GUILD MEETING: June 11, 2026, 6:00 pm

Over one hundred women were "Sitting at the Table: Listening Together to the Spirit" and we were fed, both physically and spiritually. A million thanks to the Knights of Columbus, Council 9445, who cooked a delectable meal and served it to us, reminding us that Jesus came to serve, not to be served.

At the Synodal Assembly in October 2025, Sister Carla Kovack, OP, was commissioned by Pope Leo to help parishes and groups "to plant dreams, nourish hopes, inspire trust, bind up wounds, weave together relationships, enlighten minds, warm hearts and give strength to our hands" as we become missionary disciples together.

The following represents a small piece of what I took away from the retreat.

If I could capture the Spirit, it would be the sound of this room as each person shares their experience at the table...Topics brought forth included Sisterhood, Being Called, We came, Empathy, Compassion, Gratitude, Presence, Patience, Love, Respect, Communion, Appreciation, Unity, Conviction, Participation, Discernment, Mission. It is time for all of us to enter a season of discernment. We, as women, have been the greatest listeners. The Spirit has now made us the farmers, and it is time to plant those seeds. We must be role models for the next generation. We are in 21st century; there are lots of roles women can fill. We can grow our church better if we utilize the talents God gave each of us. Let us work for the betterment of humanity.

Guild members attending the retreat.

Thank you for knowing that one of the characteristics of listening is to be seen!

Our next meeting will be June 11, at 6:00 pm, a social celebrating a successful year. Location to be determined. Call me if you are interested in joining us, Lucina Myers, President of the Women's Guild, 559/824-9160.

Guild members, always wear your name tag to Mass!

EMPLOYMENT OPPORTUNITIES

We are looking for a Director of Music and Worship Ministries & Liturgical Coordinator.

The Director of Music and Worship is responsible for the planning, preparation, and execution of musical elements for parish worship. This role collaborates closely with the parish leadership to ensure that music and worship are not treated as standalone functions, but are fully integrated into the vision, preaching themes, liturgical seasons, and broader mission of the university parish.

The Director of Music and Worship is not simply a musician, but a liturgical leader who understands the Mass as prayer, proclamation, and encounter, and who forms others to serve within that vision. This position provides practical programs, resources, and support to all ministries to enrich the lives and well-being of the parishioners and families of St. Paul Catholic Newman Center throughout all phases of life.

To express interest in this position, please send a resume and cover letter to katie.fleener@fresnonewmancenter.org

We are also looking for a part-time Campus Ministry Administrative Assistant.

The Campus Ministry Administrative Assistant is responsible for maintaining on-site student support services, administrative support for the Campus Ministry Director, and coordination of ministry activities in the afternoon, evening and weekends as needed. Occasional driving for errands and to school campuses as needed.

To express interest in this position, please send a resume and cover letter to katie.fleener@fresnonewmancenter.org

To view more information about both jobs, please view the Diocese of Fresno's employment page: <https://dioceseoffresno.org/employment>.
