Welcome Message

Edgar Guzman

We are in full swing of ministry, as some of you may know we serve all four college campuses along with the activities we host on-site at our Newman Center, and we are full speed ahead. We have been busy attending club rushes at Fresno State and Clovis Community College so far. We have our table set up with information, prayers cards, pens, bible diaries, and of course candy! It is a great opportunity for our student leaders to connect and

invite other students to our activities on and off campus. We get excited to hear from those we connect with and didn't know that a Catholic church was so close to their campus or one that had a dedicated team to serve students.

We are beginning to meet on the campuses and are excited for our student leaders to plan and head those gatherings for other students. We schedule either weekly or bi-weekly gatherings

with different topics. Along with the student leaders Deacon David and myself schedule ourselves to be present with them as well.

Please continue to pray for our student community as they manage studies and other life responsibilities. Thank you Newmanites for all you do to make this ministry possible.

Fish Fry

Ricardo Mendoza

Don't worry about dinner this Lent. Let the Jubilee Pilgrims take care of you!

The Jubilee Pilgrims heading to Rome invite you to join our Fish Fry dinner fundraiser. To support our goal of traveling to Rome in this special year of renewal, we will be selling fish and chip baskets, fish tacos, quesdaillas for the kids, along with some great desserts every Friday during Lent. Meet us in the hall Friday evenings beginning at 5:30pm for a night of fellowship and a good meal. Be sure to bring your appetite to support our fundraiser as we embark on this journey of hope. Thanks!

Alumni Spotlight

Boston Emmaus Reflection from Hector Rodriguez

My name is Hector, and I've been a part of the young adult ministry for several years. I first started attending campus ministry events five years ago, and since then, I've become deeply involved at the Newman Center. Being part of this vibrant community has blessed me with countless opportunities for growth and connection.

Diego Ramirez and I were able to participate in a program at Boston College, Massachusetts called Emmaus, where young adults from around the country explore graduate theological studies through an encounter with the students, faculty, and staff of the Clough School of Theology and Ministry. For two days, Diego and I were provided space to discern the path to which God is calling us, and particularly, the place of theological education in pursuing that path.

It was beautiful to meet and spend time with other young adults who are in a similar place in life as myself. I have loved my experience in Campus Ministry, Young Adult Ministry, and Claretian Youth here at the Newman Center, and it was amazing seeing the resources that are out there to pursue a career in ministry. Please pray for us as we continue discerning our vocation, and a possible degree in theological education!
